'm offl No 40/P.W.D. Dated the 9th February 1915.

10 Government Proceedings No.329/32--2600-03 dated the 11th April 1907 authorises free printing in the Government Press of the "Rules, Proceedings of General Meetings, Official publications, notices, etc." The expression "Official publications" includes such publications as the "Quarterly Bulletin" in question.

11 As the publication is the first venture of its kind, it is not likely to prove a success if run on commercial lines. The articles will be purely of a technical nature and until it has attained such a standard of excellence as to compete with the English and American Magazines of the kind, State patronage is essential for its success.

12 Government have accorded the privilege of free printing in the order quoted above and the Superintendent, Government Press. cannot in fairness object to pri---- the Bulletin.

GENERAL No. 6

TO

D. M. N A R A S I N G A R A O, Esq., B.A., ~~B.L.,~~

Offg. Secretary to Govt., Gen. & Rev. Depts.

SIR,

I have the honour to enclose a letter No. 72, with enclosures 12, dated 15th December, 1914, from Mr. V. Rangaswami Iyer, A.C.E., B.C.E., Hon. Secretary to the Mysore Engineers' Association, in which he requests me to print the Quarterly Bulletin of the Association.

From the letter you will see that I have already declined to print the Bulletin, on the ground that it is an entirely new work, and therefore requires the sanction of Government.

Apart from this, the Press is not prepared to add to its work and to encroach upon its normal budget to the extent that this Bulletin would necessitate. The Press has already in hand the Proceedings of the Association of last meeting. It extends to some hundreds of pages, and although begun early in the year is not yet completed. As I have pointed out in previous letters, I am of opinion that, when Govt. gave permission to have its printing done at the Govt. Press, it was not anticipated that works of such magnitude would be sent in. The Bulletin appears to me to be work for a private press. I therefore await Government's orders thereon.

I have the honour to be,
Sir,
Your most obedient servant,

C. H. Yates.

Superintendent.

16-12-14

Sir,

In reply to your letter No.717 dated the 10th December 1914 returning the manuscripts of the Quarterly Bulletin of the Association, I have the honour to invte your kind reference to Government Proceedings No.329-32/2600-03 dated the 11th April 1907 authorising the printing of the papers of the Association in the Government Press. The papers referred to in the Proceedings are "Rules, Proceedings of General Meetings the official publications, Notices, etc.," I am of opinion that the expression "official publications" can be interpreted to include such publications as the "Quarterly Bulletin".

With this explanation I hope you will have no objection to print the Quarterly Bulletin. But if you still think otherwise, I would suggest that you might yourself obtain the orders of Government in the matter. The manuscripts are accordingly returned.

I have the honour to be,
Sir,
Your most obedient servant,

Honorary Secretary.
